YOUR VOICE MATTERS

Share your perspective to help students in your community

- Help develop statewide tests that represent *all* Minnesota students.
- You play a vital role in speaking up for your community. We want to hear your voice.
- When *all* voices are represented, our state tests better serve *all* students in our schools.
- Review the Reading, Math, and Science Minnesota Comprehensive Assessments (MCAs) for culturally affirming test content.
- Make a difference in the lives of students. Help ensure the MCA reflects the rich diversity and experiences of *all* Minnesota students.

"It was great to meet people serving on the committees from a variety of backgrounds. Wide representation among races is important. I feel that MDE needs to continue to allow our decisions and additions to the tests that we review; we know our students, areas, and schools the best."

-Former Committee Member

Community MCA Review Committees
